Globality Health

The right partner at your side – worldwide

With health insurance from Globality CoGenio®, insured members are in good hands anywhere in the world and at all times. Our service centres on the ground are your reliable contacts. They speak with doctors and hospitals directly and take over the monitoring of treatment – even when the unforeseen happens.

Our aim is to give our insured members immediate access to high-quality medical services, wherever they are in the world. With Globality Health's service and assistance network of competent and experienced partners on the ground, we offer our customers individual support worldwide as well as comprehensive, competent consultation for any situation.

Globality Health's service centres provide round-the-clock service in several languages. As they are familiar with the local health systems, regional structures and peculiarities, they can recommend medical providers, doctors and hospitals which ensure our standards are met. Furthermore, our service centres make appointments or take care of acquiring any necessary medication.

With the support of our service centres, we can offer consistent and seamless services across the globe in accordance with Globality Health's high-quality criteria. Should our insured members move from one region to another, their service centre may change – yet the service and assurance they enjoy from their Globality Health insurance remains the same wherever they go.

Your advantages:

- Worldwide assistance and international experience
- Local experts, on the ground available to help you 24 hours a day, 365 days a year
- Direct settlement with medical providers
- Complete medical evacuation should the necessary facilities not be available locally
- Worldwide shipment of vital medication

Globality CoGenio® for professional sportspersons

Who is eligible for cover?

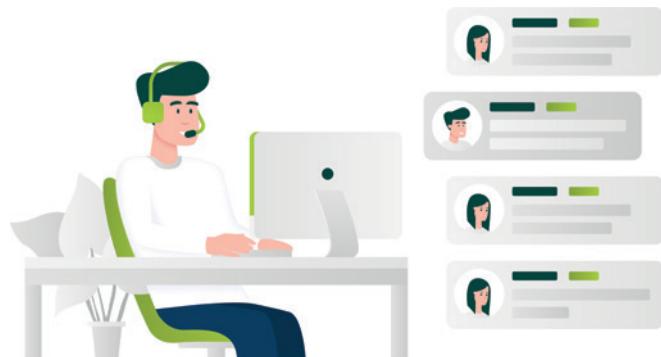

- Professional sportspersons coming into Germany (Inbound)
- Professional sportspersons leaving Germany (Outbound)
- Professional sportspersons moving between countries
- Players on loan

E.g. following sports are covered: soccer, ice hockey, basketball, handball or volleyball

However not covered are: boxing, bodybuilding, American football, weightlifting, all forms of martial art, motorsport or mountain biking

What do you need to know?

- The insurance cover only applies to groups (no transactions with individuals/individual contracts)
- The policyholder is either a club or an association
- We carry out regular risk assessments
- In order to carry out a risk assessment, we need a sports medical treatment report (AB1) which is not more than 4 weeks old
- As a rule, players on loan with a contract of less than 12 months cannot be insured
