Our Exclusive plan is designed for people who do not want to think about their insurance when they think about their health.

Special

Our **SPECIAL** plan is chosen for its balanced combination of benefits and premium. Providing comprehensive cover, including preventative treatments, medical services, and major dental treatments, it suits single professionals, as well as families. It also considers other medical and non- medical services in addition to covering the major cost items the **SPECIAL** plan is the right choice.

Essential

Our **ESSENTIAL** plan is the right answer if you do not require major dental treatment or maternity care, but want to focus on day-to-day treatments, inpatient as well as outpatient, including assistance and unexpected large medical bills.
